OFFICE OF THE
HON'BLE THE RESIDENT
IN MYSORE, BANGALORE.
Received 23 AUG. 1939
Diary No. 8760
File No. R.Dis. 779/38

Sir,

1. I have the honour to forward herewith an application from the Correspondent, Baldwin Girls' High School for a grant towards the cost of constructing an additional classroom. The school was badly in need of additional accomodation, and last year owing to want of funds, only one room was constructed, for which a grant of Rs.1000/- was sanctioned in your Memo.No.R.Dis.F.779/38/R.O.II dated 26th November 1938. The Correspondent proposes to construct another room this year. This will make possible a better arrangement of the classes and it will no longer be necessary to use, as at present, part of the dormitory as a classroom.

2. The estimated cost of the work amounts to Rs.2,625/-, but as the rate of the accepted tender is 8¾ % below the estimate rates, the actual cost may not exceed Rs.2,394/-. Normally a grant of Rs.1,197/- might be paid, but the Correspondent is prepared to accept a grant of Rs.750/-, since funds are not availble to pay a higher grant.

3. I therefore recommend that, under Article 52 of the Code of Regulations for European Schools, a grant of Rs.750/- or one half of the actual cost, whichever is less, may kindly be sanctioned.

The amount will be met from the allotment under "Account-II-Education-B-Grants-in-Aid to non-Government Secondary Schools-Building and Furniture Grant to Secondary Schools" in the current year's Mysore Assigned Tract Budget.

Copies of the plan and estimate are also enclosed.

I have the honour to be

Sir,

Your most obedient servant
